Skin Club Membership Contract

Welcome to Skin Club! This membership program is designed to help our patients wishing to enhance their skincare maintenance program by providing regular monthly treatments at a significant discount. Members are entitled to receive one free facial peel treatment every month. Additional membership benefits include a 10% discount on regularly priced injectable treatments, a 15% discount off regularly priced non-surgical aesthetic services and skincare, and 2 free Vectra 3D surgical simulations per year from the membership start date.

The Initial Membership period shall be for a period of 3 months (The Initial Period). A member shall not be entitled to cancel his/her membership during the Initial Period. After the Initial Period, the membership shall continue month to month. After the Initial Period, the member may cancel the membership at any time by giving at least 2 business days' written notice prior to the date you wish the membership to be cancelled by. Any unused services will expire should you elect to cancel your membership. The membership benefits outlined in this contract are subject to change after the completion of the Initial Period.

At times, a member may wish to suspend their membership temporarily. After the Initial Period, a member may suspend their membership for one 2 month period or two 1 month periods per year from the membership start date by providing written notice 30 days prior to the beginning of the date the suspension is to begin. During a period of membership suspension, your account will not be charged the monthly fees and you may not receive any associated services.

Membership services are not transferrable and must be used by the member enrolled in the program. Appointments are made on a first-come, first-served basis. You are responsible for scheduling your monthly services in advance to ensure you receive your preferred date, time, and aesthetician. As per our regular cancellation policy, if you are unable to keep a scheduled appointment, you must cancel with at least 2 business days' notice prior to your appointment or you will be subject to a \$75 cancellation fee. Monthly membership fees do not include gratuities. Membership services may not be combined with any other promotional offer. At this time, unused services cannot be carried over to the next month.

Ottawa Plastic Surgery reserves the right to cancel any membership at any time. A valid ID and credit card are required to enroll in the Ottawa Plastic Surgery Skin Club membership program. You agree to provide us with updated information if your address or payment information should change. If we are unable to process the automatic monthly membership dues, the membership will be suspended pending payment in full.

I hereby agree to the Membership Contract as stated above. Membership fees will be charged to the designated credit card on the 1st day of each month.
